THE REPUBLICAN STATE TICKET AND PLATFORM.

The Republican State Convention has done its work and done it well. It has presented to the people a ticket and platform upon which every Republican can heartily unite. The platform is fully up to the requirements of the times, and just such a platform as the people have been wanting for many years. There is no uncertain ring about it; every note sounds sharp and clear. It is written in such plain English that there can be but one construction. In short the party reaffirms the cardinal doctrines, and upon State matters declares that there shall be no repeal or modification of the bullion tax law, declares that if a Republican Legislature is elected there shall be legislation upon fares and freights, declares that "The Chinese Must Go," and, generally, places the party in full accord with the wants of the people. It is a glorious declaration of principles, and the character of the men nominated is the best evidence that it will be lived up to in its entirety.

NOMINEE FOR CONGRESS

R. M. Daggett is the nominee for Congress. Probably no man in the State is so well known as Daggett. His name is inseparable from the Enterprise. He is acknowledged the best newspaper writer on the coast. He is a man among men, a giant in intellect, sharp in debate, has a great warm heart, and as a Republican stands at the head of the list. No man is entitled to more from the people of this State. He would be a representative of the whole State. No corporation collar covers his neck, nobody can justly claim him for their own man. He does his own thinking, his own talking, and Right is always uppermost in his mind. It is of vast importance to the country that men of Daggett's stamp should be in Congress. The Nation will be safe with men of his class. We have no doubt of his election, but the majority should be as large as possible.

GOVERNOR KINKADEE.

We call him Governor, for John H. Kinkadee is certain to be at the head of Executive affairs of this State for the next four years, possibly eight. A man of solid worth and integrity; a plowman, yet bright in all the attributes that endear him to all, honest and capable, warm hearted and generous to a fault; true to his friends; a pioneer of the country; a laboring man, one who believes that Labor should go hand in hand with Capital, yet Labor is to have the benefit of all doubts, a man capable of receiving and entertaining State visitors in a hospitable manner; fully alive to the wants of the masses and determined to protect them; a man without money, in fact poor in this world's goods, yet rich in mind and heart, rich in honesty and integrity. No Republican should fail to vote for him; many Democrats have too much sense to vote against him.

LIEUTENANT GOVERNOR

Harry R. Nichols, editor of the Carson Appeal, the nominee of the party for Lieutenant Governor, also deserves well of his party, the people and his country. He was a soldier when soldiers were needed, and when not serving in that capacity, has aided his country with his pen, and "The Pen is mightier than the Sword." His experience as Speaker of the Assembly eminently qualifies him to act as President of the Senate.

CONTROLLER

J. F. Hallock, of Pioche, will be the next Controller of State. He is thoroughly qualified for the position, his friends declare him a ripe scholar, a true gentleman, and a man certain to be foremost in protecting and looking after the interests of the State.

SECRETARY OF STATE

Jasper Babcock, of Storey, is the

nominee for the important position of Secretary of State. Mr. Babcock is an accommodating gentleman, and it would be a pleasure to do business with him. Though the office is mostly a clerical one, yet connected to it are important duties which demand that the position shall be filled by one who is fully capable. Babcock is the man.

STATE TREASURER.

L. L. Crockett, of Reno, is the nominee for State Treasurer. The Convention has our thanks for this compliment. Mr. Crockett is a strong man for the position. He is not only a strong man but a good man, and he will have no trouble in giving the necessary bond, even though a million dollars should be required. Mr. Crockett has been identified with the State from its infancy; has held many positions of public and private trust, and has a record second to no other man in the State. We vouch for him as being as good a custodian of the Treasury as could be selected, and we hope his majority will be 5,000.

ATTORNEY GENERAL.

M. A. Murphy, of Aurora, for Attorney General, is warmly endorsed for the position by Judge Hawley and Judge Whitman, a recommendation sufficient to cause all to vote for him. Mr. Murphy has been in Esmeralda since 1863, where he has built up an extensive practice. We again thank the Convention for the endorsement paid Reno and Washoe county in the nomination of A. J. Hatch for Surveyor General. Mr. Hatch, we guess, has been a surveyor ever since he was able to carry a chain and handle a compass. For many years he has been Co. Surveyor here, and a U. S. Mineral Deputy, and in that position he surveyed a majority of the lands in this State. His fitness for the position must therefore be conceded.

SUPREME COURT CLERK.

The Convention paid C. F. Bicknell the compliment of a renomination. During his present term Mr. Bicknell has shown that he was the right man in the right place. As everybody concurs in this opinion, the Democratic candidate will find that the campaign will proceed as usual should he choose to remain at home.

SUPREME JUDGE.

Hon. Thos. P. Hawley, the present Chief Justice of our Supreme Court, was complimented with the nomination by acclamation. If there is one man above another who is the people's candidate that man is Tom Hawley. A pure man and incorruptible Judge; no money can buy him; no corporation can influence him; a credit to the Bench and a man whom to remove would be a public calamity. Irrespective of party every voter in the State should vote to retain him on the Bench. Our Judiciary should be kept pure, and when we have a Judge like Hawley it should be our first duty to keep him on the Bench.

SUP. OF PUBLIC INSTRUCTION

J. D. Hammond is the nominee for Superintendent of Public Instruction, and is in every way qualified for the position; a teacher of long experience; a fine scholar, an eloquent speaker, a true gentleman. Hammond will be an officer who will do the State credit.

Thus the Republicans have presented to the people a list of candidates selected with regard to peculiar fitness for the respective positions, fealty to party, availability, and proper respect to all sections of the State. That the people will endorse the action of the Republican State Convention we do not doubt; neither do we doubt that the best interests of the State will be subserved thereby.

DISTRICT JUDGE, SECOND JUDICIAL DISTRICT.

Charles S. Varian is the Republican candidate for Judge of the 2d Judicial District, composed of the counties of Washoe, Ormsby and Douglas. Mr. Varian is one of the very best lawyers in the district and is warmly endorsed by the Bar for the position of District Judge. We believe that he would make a good Judge, discharging the duties of the position with fidelity to the true interests of litigants, studying carefully the rights of all, being only actuated by a desire to make a record for himself as a Judge and a man which shall last for all time. This is the more natural for the reason that he is a young man and has the world before him, hence his future is entirely of his own making. His mind is too evenly balanced to intentionally cause him to make any mistakes. There is no question of his competency, his standing as a lawyer in the district, and his position of U. S. District Attorney of Nevada is sufficient recommendation. His interests are all here in Washoe county, and his election as Judge will be a great convenience to this people and the Bar of Washoe county. The complaint has been often made that on account of the Judge living in another county, the interests of Washoe have been often neglected. Now that we have a chance to remedy this evil, if it be one, there should be no further complaint should we fail to do so. Not alone party, not alone pride of county, not alone personal, but every consideration demands that Washoe should do its best for C. S. Varian for District Judge.

THE REPUBLICAN TICKET.

The ticket nominated by the Washoe County Republican Convention is deserving the hearty support of every Republican voter. Take it, generally, and there has never been a better lot of nominees presented to the people, and every man of them will be elected by handsome majorities. From the personnel of the Convention such a good ticket was expected, for the members of that Convention comprised the most intelligent, the active business-representative men of the county. The platform is all that could be asked, and will be faithfully adhered to. It goes further than any other platform, in that it pronounces against the remission of the \$125,000 of back taxes due the State from the Bonanza firm; thoroughly sound on National, State and county affairs, the people may be assured it will be maintained.

THE LEGISLATIVE TICKET.

This county needs a wide awake delegation in the Legislature, and if C. C. Powning, Senator, and J. P. Foulks, W. E. Price and E. E. Underwood, Assemblymen, can not secure such legislation as Reno and Washoe county need, no other four men named can be successful. W. E. Price has been there before, and made an excellent member; J. P. Foulks will take front ranks as a worker. He is a "rustler" in the full meaning of the term; Mr. E. E. Underwood is very popular in Washoe; a man of good address, an agreeable talker, one who will make a hard working member. These men will strive for no other purpose than the good of Reno and Washoe county. Every man who favors the re-election of John P. Jones to the United States Senate should vote this Legislative ticket. Their election means four votes for Jones.

SHERIFF.

A. K. Lamb was complimented with a renomination for Sheriff. Mr. Lamb has made an excellent officer. Another term he will do even better, for the experience will be a great benefit in a second term. During his incumbency he has been faithful, courageous and honest. No better servant can the people choose.

CLERK.

Mr. C. R. Wickes, the nominee for County Clerk, is thoroughly qualified for the position. He is the present bookkeeper in the Farmers' Co-operative Association store; writes an excellent hand, and keeps everything neat and clean; has always held important clerical positions, and never failed to give complete satisfaction to his employers. The people will find in him an affable, accommodating, competent and honest Clerk.

ASSESSOR.

W. F. Everett, an honest, hard-working blacksmith, at Huffakers; just, honest, and a general favorite among all acquaintances. He will make a first class Assessor. His long residence in the county will enable him to judge of the proper valuation to put on property, and he will perform the duties of his office in a satisfactory manner.

TREASURER.

D. B. Boyd, of Reno; an excellent man for the responsible position of Treasurer. Dan is an old resident here, and is known by every one. He could get men enough to go on his bonds if he were candidate for any position. He is a thorough business man and will, when elected, keep our money safely and honestly. Everybody knows him and trusts him.

RECORDER.

A young man of unusual ability is R. H. Wright, of Mill. A thorough accountant, he will be able, if successful, to keep the county records in a correct and neat manner. He will be careful and will see that the law backs him in everything. The county would do well to itself by reposing the confidence asked upon Mr. Wright, for he will be all that can be desired.

COMMISSIONER (LONG TERM.)

R. H. Kinney, of Glendale, an old resident of this county, and a thorough business man. He is not hasty in conclusions, but will always know that he is right before he goes ahead. He will prove an efficient Commissioner, if elected, and voters can trust the county matters in his hands.

COMMISSIONER (SHORT TERM.)

E. Olinghouse, of Wadsworth, is a good man for Commissioner. A man of sound business tact, and a faithful man in every walk of life, he will prove equally as efficient as a County Father. Should he be elected, our county will be particularly fortunate.

DISTRICT ATTORNEY.

John Bowman, of Reno, is a lawyer of years and experience. He, if elected, will make a faithful office

His knowledge of the law will enable him to look after the county's interests in a manner which will insure legality, economy and safety. Mr. Bowman would be a faithful attorney for the people.

SUP. PUBLIC INSTRUCTION.

An important position, well represented in the person of Dr. A. Dawson, of Reno. He is a teacher of long experience, and has always had a great interest in the education of the young. He will be the right man in the right place. The schools of the county will be in good hands when under his supervision.

SURVEYOR.
Don H. Barker can run a line with any surveyor in Nevada, and when he sets a stake, just rest assured it is in the exact spot. Don knows his business perfectly, as his long experience and many surveys will testify.

PUBLIC ADMINISTRATOR.
C. W. Jones has filled this position before and knows its duties, and if elected will prove a satisfactory officer. He will administer upon all estates honestly. An important position with a worthy man nominated for it.

NEWS OF THE MORNING.

Senator Sargent, who has been sick in Washington, is recovering rapidly.

It is stated that sixty per cent of the Amoor's troops are stricken with fever.

A dispatch from Paris says that in consequence of fears of a Democratic insurrection in Seville, the troops there have been placed under special instruction.

In Massachusetts the indications point to a heavy vote for Butler, but his defeat is still predicted by the Republicans of Boston.

The Phoenix elevator, with over 100,000 bushels of grain, at Peoria, Illinois, was destroyed by an incendiary fire Sunday afternoon.

Justice Field, of the United States Supreme Court, has returned to Washington and will occupy his place when, for the first time this term, there will be a full bench.

A Liverpool dispatch says the steamer City of Baltimore, during a fog Monday on the Mersey, ran down a steam launch belonging to the Inman line. Several parties are missing.

The Arab tribes occupying the country between Bagdad and Bussorah have revolted, and out of communication between Bagdad and Mosul, The Government functionaries have fled.

The Oldham (English) cotton operatives on Saturday unanimously resolved to resist the proposed reduction of ten per cent. in their wages. Twenty thousand hands and eight million spindles will be affected by this action.

The New Orleans Board of Health passed a resolution on Saturday that the epidemic is at an end. President Choppin stated that this resolution was not passed to be used to advise people to return to the city, as it was not safe for them to do so yet, but for the purpose of having the inland quarantine removed. Several new cases of fever have been heard of since noon.

Monday night, the coach driver from the north reported that on his trip north from Laramie on Friday night he was stopped at the Platte river ford, about a mile distant from that place, by five masked men, who took from the coach the two prisoners—Mansfield and McLaughlin—and hung them on a large cottonwood tree on the river bank. These men were charged with road agency, and had been in custody in Cheyenne, and were on their way for Deadwood under guard of Jim May and Jesse Brown, whom the lynchers compelled to give up their arms and surrender their prisoners.

CAMPAIGN LIES.

This is the season when personal and political enemies commence the infamous system of lying. Nothing is too bad for them; no slander it does not afford them pleasure to circulate. The people should look out for these fellows—sneaks—paying no attention to the thousand idle rumors put in circulation. Especially, the Republicans of this county should be on their guard. "Hold the fort!" should be the motto. Every Republican candidate is worthy of the support of the party, and every Republican who loves the party should vote the ticket straight. Don't permit any candidate to be defeated through the scheming and intriguing of bad men. Make no trades; throw aside personal animosities, and vote right because you are a Republican.

FOR REPUBLICANS TO REMEMBER.

The election for President in 1880 is evidently going to be very close. Probably a solid South and one or two Northern States will be Democratic, and the prospect is favorable that the election will be thrown into the House of Representatives. In that event the vote of Nevada will count as much as the vote of either Ohio, Pennsylvania or New York. Should this result follow, we ask the Republicans of Nevada how they would like to have the vote of Nevada cast by Mr. Deal? It is quite possible that those who vote for a Congressman in Nevada this Fall may be indirectly giving the casting vote for President two years hence. There is not a Democrat in the State who does not know and appreciate this fact. Are Republicans as equally concerned about it? Voting for a Congressman this year ought to be more a vote for principle than ever before in our history.

WORK.

Republicans, keep at work! Let every man constitute himself a committee of one and get one vote for the ticket. Work as you never worked before. There is no dissection in our ranks; we have no third-termers on our ticket; we are not forced to eat crow. Our principles are sound; our candidates are without reproach, and we are going to win. Be up and doing! See to it that no stone is left unturned. See to it that no trading is done which may imperil the success of our ticket. Unite and work with a will, and the setting sun of next Tuesday will cast his rays upon the proudest and most unanimous victory ever achieved by the Republicans of Nevada.

DON'T SCRATCH THE TICKET.

It is a well known fact that the Republicans have always had a good working majority in this county on a strict party vote, and it is thought by persons who are well informed on the subject, that the majority has been very materially increased by the increase in the total vote since the last election. There is no reason therefore why we should not elect our entire county ticket. Our candidates are certainly as good men and as well qualified for the position for which they have been nominated as are the nominees other tickets. Let no Republican allow himself to be influenced by any merely personal preference to scratch his ticket.

The Republican party is the bulwark of American liberty, the guardian of our rights, and the pioneer in development and progress. As such it should receive the cordial support of every true friend of his country.

The State Senators elected this year have a vote for U. S. Senator to succeed Sharon. Republicans everywhere should bear the fact in mind. They not only vote for Jones this time, but for some other Republican two years hence.

Every man who wants to see John P. Jones elected United States Senator should vote for the Republican Legislative nominees. In this you are voting for principle.

The nation lives to-day undivided, because of the wisdom and loyalty of the Republican party. Ought not this fact call to its support every true citizen of the Republic?

This history of the Republic is so closely interwoven with the Republican party that to defeat the latter is to destroy the former. They cannot be separated with safety.

Vote early, and then devote the rest of the day to bringing your neighbors to the polls. See to it that not a vote is left uncast. This is the secret of victory.

Washoe county should send a delegation to the Legislature certain to act in harmony with the Republican majority. In no other way can the county have any influence there.

REPUBLICANS.

Place your sentinels on duty and allow no Republican to miss voting the whole ticket to-day. The peace of the Nation demands of you Republicans to again put forth your power and command order and good government. To do this you must elect your nominees for the Legislature of your State, and by all means you should elect R. M. Daggett to Congress, to stand by you and fight your battles and assist J. P. Jones in his mighty effort to redeem your State from its enemies. We are entering upon a momentous crisis again which threatens ruin and desolation, and you Republicans alone can avert the danger, for its seductive enemies, by their persuasive arguments and false pretences, will surely crush you out with a remorseless hand if allowed again to come into power. Republicans, for your own good alone, for the credit of your State, for the credit of your party all over the United States, stand firm and united and elect your whole ticket. You cannot afford to leave out one name from your well chosen nominees. You can do it if you will vote in solid columns and not allow your ranks to be broken by foolish dissensions. Thousands are watching your actions to-day ready to sing out the victory. Will you suffer defeat when so much is at stake? Old men will shout the victory, knowing all is safe when Republicans and intelligence govern.

REPUBLICANS

Stand firm by your principles and vote the whole Republican ticket to-day—you who stood by the nation when deceitful traitors governed. You have done much; there is much remaining to be done. Will you allow this Government to be wrested from your control in detail by dissensions in your own ranks after so many thousands of lives and millions of money have been sacrificed to save the nation by you. Already you have lost control of the House of Representatives and the Senate will pass from under your control next March. You cannot afford to be divided now. Your enemies are crying peace and harmony, when all their actions prove disruption and ruin. Vote the Republican ticket solid, make no exchanges but stand firm for party; do not be deceived by false issues as you have been.

R. M. DAGGETT.

Vote for him because when the war cloud hovered like a black pall over our country his pen and voice were always used for the upholding of the old flag, because he believes in gold and silver as the people's money because he believes in the Government discharging its obligations with the same honesty we expect from individuals, and because he openly pledges himself to do all in his power to reduce the tariffs of the trans-continental railroad. This subject Mr. Deal ignores. Vote for Deal and you vote to place in Congress a man who sympathized with rebels who is, opposed the resumption and to the payment of the Government's debts. Every old rebel will vote for Deal let every Union man vote for Daggett.

JUDGE T. P. HAWLEY.

An honor to the people of Nevada, a man whose sense of right is above party politics, a lawyer whose abilities command for his decisions respect among courts and attorneys. No better man has ever been on our Supreme Bench; a man as far above his opponent as one man can well be above another. Mr. Cole's measure was accurately taken by Kendall when he said, "And you my dapper little friend that sleeps with Sutor, Freddie Napoleon Cole, O." We believe that hundreds of Democrats will vote for Hawley to-day because they know him to be by far the better man for the Supreme Bench.

BOGUS TICKETS.

Look out for bogus tickets to-day. Many different styles have been printed. For the straight Republican ticket compare it with the one published at the head of our columns.

DO YOUR DUTY.

Nevada expects every man to do his duty to-day. The battle-borne State will be false to itself if it is false to the party that made it a State.

The *Bodie Standard*, in speaking of the building improvements in that town, says: If the bad weather keeps off for a short time longer, we can boast of a town, before many weeks, second only in size to Virginia City Nevada.

The secret of success may be found in a few words: Get every Republican voter to go to the polls. A SINGLE VOTE OMITTED MAY TURN VICTORY INTO DEFEAT.

An exchange says: Wood naphtha is a cure for chronic rheumatism. Try it. We have seen a remarkable case of immediate relief from an external application well rubbed in.

The Republican party with its hand of progress touched the auction block and it became a school-house.

VICTORY ASSURED.

A gentleman, well posted in politics, writes us, as follows of the strength of the ticket on hand: EUREKA, Nov. 2d, 1878.

Dear Sir: I have just returned home after visiting the principal places in White Pine, Lincoln, Nye and Esmeralda counties, and I assure you that the party was never better organized than at this time in those counties. The four counties put together will give the Republican handsome majority. If Storey county stands by the party, Kinkaid is certain of his election. Everything looks encouraging for the entire ticket. Mighels is going to run right up with Kinkaid and Daggett. His manly action has disarmed his opponents and all stand firmly by the ticket from top to bottom. Eureka county is good for 150 for whole Republican ticket.

GRAND OVATION TO SENATOR JONES.

[Carson Appeal, 3d.] Senator John P. Jones arrived in Carson yesterday by private conveyance, where he was warmly received by the leading Republicans of Carson and by our citizens irrespective of party.

In the evening Carson street was ablaze with bonfires, there being a dozen or more burning at points from the Ormsby House to the railroad depot.

The Opera House commenced filling up long before the hour set for the opening of the meeting, and by the time the organization was effected every seat was filled down stairs and in the dress circle; the aisles were thronged, and the crowd extended back to the street entrance.

Geo. W. Bryant called the meeting to order. Judge W. H. Baatty was chosen President, and briefly and in the best possible taste he introduced to the anxious audience Senator John P. Jones. The appearance of Nevada's faithful Senator was the signal for long and earnest applause, upon the subsidence of which he commenced his speech, which he delivered from manuscript. Perhaps the reader of the *Morning Appeal* who was unfortunate enough not to have been at the meeting last night, and who must vainly look in these small pages for even a summary of the speech, will get a slight knowledge at least of what it really was by the statement that it was a vigorous, manly effort, worthy of the man and the occasion. He treated of the subject of legislation on freights and fares, claiming that the railroad corporations had been treated manifestly by our Government in the matter of subsidies. He held that the discriminations against Nevada was unjust, that there was a remedy for it, and that he was in favor of applying that remedy. And here again we are forced to but feebly give Senator Jones' able treatment of this important subject. On the Chinese question, before which all other matters drop into insignificance, he was clear, positive and forcible. Like all other subjects Senator Jones handles, he left no doubt here as to how he stood in regard to the Asiatic curse of this country. There was no sickly sentimentalism on this subject, but it was placed before his audience in language all could understand. The Burlingame treaty should be abrogated, and that as quickly as the work could be done. The history of the Silver Bill, a measure in which the Senator proved himself the people's worthy factor, was modestly treated, and the very hearty manner in which his hearers last night received the account of his stewardship, must have convinced him that they were thoroughly satisfied with his great and successful effort in remonetizing silver. He gave a careful and truthful account of the Congressional action of the two parties, Republican and Democratic, on financial matters, and on all questions involving the Nation's honor, showing that the Republican party had stood by its faith as pledged to the people, while the Democratic party had on every possible occasion proved recreant to its trust. Throughout the entire speech there was the true ring of Republicanism, leaving no one in doubt as to the Senator's loyalty to the party that has honored him once and is determined to honor him again.

In the above very imperfect outline of one of the ablest speeches we have ever listened to, and one which should be read by or read to every voter in Nevada if the thing were possible, we have not done Senator Jones even meagre justice. It was a great speech in the fullest import of the language, and it ought to be published in full, not as a mere campaign production, but as something to be prized and to be placed side by side with the greatest efforts of our country's greatest men. The Senator occupied about two hours in its delivery, and the frequent and hearty applause with which it was received demonstrated plainly that its sound principles were fully indorsed by all who heard it.

The *Pail Mail Gazette* comments with some bitterness on what it regards as a threatening dispatch addressed by Secretary Evarts to the American Minister to England concerning the fishery question.

About half-past 4 o'clock Sunday afternoon as W. H. Rulofson, the well-known San Francisco photographer, of the firm of Bradley & Rulofson, was superintending the construction of a sky light on the roof of the building in which his gallery is located—a three-story brick, southwest corner of Montgomery and Sacramento streets—he missed his footing and fell to the sidewalk, his head and shoulders striking on some tin packing cases piled near the curbstone. He was at once taken to a drug store near by, and a few moments after removed to his home, where he died shortly after 5 o'clock. A hurried examination while at the drug store showed that no bones were broken and but few contusions, death resulting from internal injuries.

The stockholders of the Sierra Nevada held a special meeting in San Francisco yesterday to consider the question of watering the stock. Eighty-nine thousand, two hundred and thirty-one thirty-one hundredths shares were represented. A resolution to increase the stock from one hundred thousand shares of one hundred dollars each to five hundred thousand shares of one hundred dollars each was adopted, the new stock to be issued at the discretion of the Trustees. Harry Williams, speaking for John Skua, said the new stock would not probably be put on the market at present.

COMING TO NEVADA.—Two or more surgeons from the National Surgical Institute will be at the Arlington House, Carson City, Nevada, Monday and Tuesday, Nov. 11th and 12th, 1878, where they can be consulted by the afflicted. This institute has won an unequalled reputation throughout the United States for the treatment of deformities, such as crooked limbs, club feet, disease of the hip and ankle, spinal curvature, paralysis, piles and fistula. This is a rare opportunity to be cared at home. Consultation free.

The international pedestrian tournament which began at Agricultural Hall, London, on Monday morning last at 5 minutes after 1, terminated at 10.30 Saturday night. The competitors numbered 23 and included Weston. The stakes were \$500, with the Astley belt, valued at £150. Vaughan and Weston were favorites at the start, and the betting was five to one against Corkey. At the conclusion the score stood: Corkey 521, Brown 505, Rowell 469, Hibbard 440, Eanis of Chicago 410, Courtney 404, Day 400, Richardson 380. Sixteen thousand persons were present at the close and much enthusiasm prevailed.

Ed. Brannan, well known in this State as a gymnast and the champion dumb-bell lifter, died at Cherry Creek at noon Monday of pneumonia, after only a week's sickness.

THE BEST PLAN.—The most profitable plan for operating in stocks is that of uniting capital of various sums by combining or pooling the orders of thousands of customers and using them as one mighty whole, which has been done so successfully by Messrs. Lawrence & Co., Bankers, 57 Exchange Place, N. Y. City. By this co-operative system each investor is placed on equal footing with the largest operator, and profits are divided *pro rata* among shareholders every 30 days. An investment of \$10 would pay \$50, making 5 per cent. on the stock during the month. \$25 would return \$150, or 6 per cent.; \$100 would make \$1,000, or 10 per cent., and so on, according to the market. Frank Leslie's *Illustrated Newspaper*, June 29th, says: "The combination method of operating in stocks is the most successful ever adopted." New York *Independent*, September 12th, says: "The Combination System is founded upon correct business principles and no person need be without an income while it is kept working by Messrs. Lawrence & Co." The firm's new circular (copyrighted and sent free) contains "two unerring rules for success in stock operations," and explains everything. All kinds of Stocks and Bonds wanted. New Government Loan supplied. Address Lawrence & Co., Bankers and Brokers, 57 Exchange Place, New York City.

The other day a visitor surprised Richard Grant White saying to his baby Oh-ny, no-ny, a mussy tickle his little footy tootsies! out fom ze banky-wanky, oz a catch dowlly-woly an' have ze sunnies." Just then he caught sight of the visitor, and said to the infant: "No no, you must not expose your pedal extremities by extending them beyond the protecting cover of the blanket, or you will lay your system open to attacks of catarrhal affection." And the astonished child shrieked as though some one had winged it with a defective safety-pin.

"ALWAYS shoot quail on the wing," says a sporting journal. But when we go gunning we are not particular whether we shoot 'em on the wing or on the head. A partridge shot on the head is just as good as one shot on the wing.
